## DAY 2

Let's begin our day with breakfast served at hotel restaurant before discover this fascinating island, Langkawi-island full with myths and legends. Starts our journey from northern part of this island, where we will be going to visit the crocodile farm that houses more than 1,000 crocodiles with different species. Then, we shall proceed to the longest free span single rope cable car, Gunung Mat Chincang. We will be able to witness the magnificent views from the highest peak of this mountain. Don't forget to stopby and witness the 3D art in Paradise Langkawi Museum.

Next, after few hours of relaxing while seeing the panoramic views, we would visit the Batik Making Village. Here, we will manage to see the entire process of Batik painting from waxing to cloth dye-ing. Vacation would not be perfect without some element of education knowing the history of Langkawi. Thus we would visit Mahsuri's Tomb. Next, we are visiting the beautiful black sand beach and we shall snap beautiful photos at the old fishing jetty. Our journey would not be complete if we do not visit the famous eagle sculpture at Dataran Lang, the landmark of Langkawi. Before return to hotel for rest, we would go to Kuah Town for shopping. Psst, it's a duty free island! Shop till you drop!

After breakfast, our journey starts by going to Under Water World, Langkawi. We would discover various types of aquatic creatures including fishes, corals, and many more! After few hours of treasuring the marine world, we will be taking a trip to the famous mangroves also known as KILIM Geoforest Park. From here we would be able to identify a different part of Langkawi while enjoying the natural beauty of the island. We will also drop by at the Fish Farm to learn and appreciate more about marine wildlife. Here, we may spend a bit of time relaxing and trying out the aquaculture massage. Don't miss an epic scene by watching the Brahminy Kite Eagles swoop their prey from the high sky. At the end of your tour, we shall drop by at private beach for rest and chill. (Subject to change).
